QUOTE OF THE MONTH

By Peter Jackson, Associated Press Writer

PITTSBURGH -- Former Steelers star Lynn Swann, who declared his candidacy for Pennsylvania governor, says he is confident he will win the state GOP committee's endorsement. "If I need a primary to win, then I would have to take a serious look at being in the primary."

President's Message

Dear NRMC Members:

You're well aware that Nevada was a "Top Tier" battleground state in 2004. Well, 2006 promises to be even more so for our Republican Party.

Nationally, the Demos are desperate to regain control of the US Senate and House. And if they're able to do it, their first order of business will be to try and impeach President Bush!

The labor unions, the ACLU, the trial lawyers along with Harry Reid, George Soros, Michael Moore and the rest of their ilk are primed to spend millions of dollars attacking George W and all the other Republican candidates in the forefront of the campaign.

Here in Nevada the same scenario will be played out with the focus being on the six statewide constitutional offices as well as the seats in Congressional Districts 2 and 3 plus John Ensign's Senate seat.

Statewide in 2004, we were able to register about 92,000 new Republican voters. Quite an achievement! However, Pres. Bush won the state by only 22,000 votes. Obviously, without the new Republican voters registered, the Bush campaign would have been in deep trouble!

Clearly, we must do an even better job of registering new Republican voters in 2006. This is perhaps our highest immediate priority as Republican volunteers.

Let me urge each of our NRMC members to become active in helping our Party by volunteering to staff Voter Registration Desks all over Clark County; Public event sites, gun shows, county fairs, supermarkets, shopping malls, etc. When you're called - say "YES" to helping register new Republican Voters!!

It's our key to victory in 2006!! Happy New Year

Al Valdez, President, NRMC

Guiding Principles

By Chris Comfort, Corresponding Secretary

Please remember while volunteering and assisting the NRP and CC with their goal of electing Republicans, that the garbage and ill-will we dig up today will be the democrat's cannon fodder of tomorrow. Let us focus upon the issues that affect our great state. Our goal for the primary is to identify issues and get out the vote. August 15th is admittedly a difficult date for anyone of sound mind and body to vote; it's hot, middle of summer, and vacation time.

As Republicans, we will take those issues to the ballot box in August and identify our top candidates to fulfill our mission. Our mission speaks of limited government, fiscal responsibility, meritorious advancement, and the avoidance of new taxes. Please visit the [NRP website](#) for our current platform.

Our six constitutional offices are open; please volunteer your time and efforts with the Clark County Grassroots Republicans.

For some comedic relief: please visit [Reid's Retchings](#) or [Reid World](#). Now, this stuff is what I call great politics in the style of the late Lee Atwater.

For a comprehensive web page regarding Clark County, please visit the [Clark GOP website](#). It is very informative and current.
